Per Deputy Clerk

vs.

Warden Bledsoe, et al.

(Prospective Relief)

Now comes Norman N. Shelton, pro-se fashion making a plea to honorable judge Muir for protection from the government officials of this s.m.v. institution Lewisburg. "your honorable Muir I plea with you to send some of your court investigator's here as soon as possible to take pictures of my wounds. "I have been beat up by two L.T. @ L.T. Wattenly L.T. Scampoone. It's have been a pattern of brutality, and inadequate medical care they refuse to give me a medical assessment S.T.S. L.T. Keith Refuse to take pictures of me. Because I was going to send them to you, so you could see with your own two eyes. All the injuries that I have "They had a % Grenot who is on my law suite lie on a incident report stating I throw my razor at her hitting her leg. I dropped my razor on the wicke it never touched her "She stated if you dont take my name and my sister name off your suite we will continue to write you up on 200 serious shots to push your release date back.

"I asked her how did she know that her and her sister was on the list of defendant's, She stated we read your legal paper I told her thats against the law. she stated we are the law here. "Then the assault team came in the showers and put the handcuffs on me so tight tear fell from my eyes.

1.) "your Honorable judge ~~Muir~~ ^{Muir}. " Please help me, I fear for my life. The swelling in my face is going down because they had me in a holding cell outside the view of cameras handcuffed while two female officers held ice to my face, hand, and lip. For about an hour, Then the next shift of female officer did the same thing.

2.) your Honorable judge ~~Muir~~ ^{Muir}. " Please just send someone with a camera, my face and body is all the proof one would need to see the unconstitutional brutality and punishment and violation of the eighth amendment done to me. L.T. Mattenly came in 126 D-Block cell while I was in restraints. I did not fight with no inmate. I did not throw nothing at a officer. They put me in restraints because of the law suite I have pending. They are all related up here. Brother's sister's mothers and fathers. So there is no one to point fingers of the cruel unjust violence, harassment and discomfort I have had done to me.

3.) L.T. Mattenly Stated you want me to loosen your hand cuffs up? they look real tight on your wrist. "I moved my head up and down because I was suffering from all the pain L.T. Mattenly looked at %o Craley and smiled. L.T. Mattenly unlocked my handcuffs then squeezed them all the way to the bone of my wrist. I yelled out. And L.T. Mattenly stated nigger we are not playing no more games with you. The warden Bledsoe gave us the green light on you to stop you with this law suite. "you are going to write the courts in tell them you had a change of mind or something. but you want to drop it. do you understand? Tears were falling from my eyes. All I could do was move my head up and down. I never felt pain like that in my life.

4.) your honorable judge ~~Muir~~. "while I was in restraints And after L.T. Matternly left my cell. Their only purpose was to make me suffer a great amount of pain. The administrative individuals A.W. Hudson Captain Trate L.T. Scampoone L.T. Mattern L.T. sassessmen % Vegh % Hamilton % ~~Ditz~~ Ditz % Cookie ~~%~~ % Trap. By their own omission shows that the regulation is not reasonably related to a legitimate goal, it is just to cause discomfort, pain, and suffering. (Racially Motivated.)

"And it is overly restrictive to those who use the administrative process to change the bad conditions and treatment of prisoner. Their action exaggerate the response to the real concern.

5.) your Honorable judge ~~Muir~~. "I have actual imminent injurys and the only prevention I need to stay alive is to be moved from this institution as soon as possible. your Honor let me show you that I am not lying to you send someone with a camera and soon so you could see for your self. They turned my lawyer away monday told her a bunch of lies. Stated she could not see me. I will ask her to write you and tell you what they said to her. "please Mr. ~~Muir~~ Help me to get away from here before one of them kill me. I am sending you some of my Bandages so you can see I am telling you the truth. They wont take pictures, they wont give me any medicine they just gave me bandages.

The above statements are true and correct to the very best of my knowledge and understanding.
